IGUAZU - SALTA - EL CALAFATE - BUENOS AIRES

TRIP ITINERARY

DAY 01 | COUNTRY OF ORIGIN - BUENOS AIRES

Departure in the international night flight. Night on board.

DAY 02 | BUENOS AIRES - IGUAZU

Arrival at Ezeiza International Airport. Our staff will be waiting there, to provide assistance in terminal change and to deliver the necessary documents for the trip. Next, you will board the flight and arrive at Puerto Iguazú. Reception and regular transfer service to the hotel.

DAY 03 | IGUAZU

Regular trip to the Argentinian side of the Iguazú Falls. The tour starts at the hotel you are staying in. After picking you up at that location, you will be taken to the entrance to the Iguazú National Park. The train called "Rainforest Train" departs from the Visitor's Center, an ecological train that goes all along the Misiones rainforest towards the Garganta del Diablo (Devil's Throat), the starting point of a walkway to one of the most striking landscapes in Argentina, next to the jump after which the Union Jump was named, a place impossible to describe in words for its beauty and energy that makes everyone feel thrilled. A place not to be missed! The trip continues in the next stop: the Iguazu Falls. Here, you have two options: you can either go on the Upper Circuit, which has a 500-meter distance, or the Lower Circuit, a number of walkways that allow appreciating such a natural wonder from another angle.

To finish this unforgettable trip, we highly recommend to hire "The Great Adventure: Iguazu Falls Baptism", which is an optional tour: a combination of a nautical adventure riding on Zodiac boats, in which you will go on a six-kilometers ride down the Lower Iguazú River going through rapids to finish your round in the Devil's Throat Canyon, and a ride on an uncovered double-traction vehicle through the rainforest, where you will have the chance to fully appreciate the flora and, if you are lucky, the native fauna. 1-day trip. People going on this trip should take insect repellent, trainers and comfortable clothes.

DAY 04 | IGUAZU

Regular trip to the Brazilian side of the Iguazú Falls and the Bird Park. Departure from the hotel to the Foz do Iguazú National Park. In this visitor area, you will find a single 950-meter long walkway, located on the Iguazú River Gully Falls, where you will witness a really impressive view of the Jumps. The tour reaches its climax when you get to the Devil's Throat, where the sound of the falling water profoundly shakes visitors. Entrance fee is not included.

DAY 05 | IGUAZU - SALTA

Transfer in regular service to the airport to board the Aerolíneas Argentinas flight. Reception and regular transfer to the chosen hotel.

In the afternoon, visit the city touring the most attractive sites: the Cathedral Basilica, Cultural Center of the Americas, Historical Museum of the North (Cabildo) with exhibitions of sacred art and rooms dedicated to ancient families Salta, San Francisco Minor Basilica, San Bernardo Convent of the Order of the Carmelites, Monument to Güemes, ascent to Cerro San Bernardo from where you get the panoramic view of the city, passing by the monument February 20 where the Battle of Salta was held, visit to the summer villa San Lorenzo on the outskirts of the city with its subtropical microclimate and the Artisan Market.

DAY 06 | SALTA - CACHI

Full day excursion departing through the Lerma Valley. It is up to the village El Carril, typical village of the region, whose name is because it was the forced way that connected the valleys: Calchaquíes and de Lerma. The tour continues through the Quebrada de Escoipe, a narrow valley of deep green surrounded by mountains, until you reach the wonderful Cuesta del Obispo. Road with numerous curves that allow you to enjoy panoramic views of Valle Encantado. The highest point is reached at Piedra del Molino at 3348 m.s.n.m. Then, crossing the Straight of Tin-Tin, old way of the Inca, crosses the National Park the Cardones, where the predominant vegetal species in the zone gives its name him and owns adult units of up to 3 meters of height. Arriving in Cachi you can have an incredible view of the Nevado de Cachi and Payogasta. After lunch you will have free time to visit this colonial-style town, head of the Calchaquíes Valley, with stone-based houses and adobe walls, lined with lime and sand that give it the white color that characterizes it. And visit the church, one of the oldest in the region. Accommodation.

DAY 07 | SALTA - PURMAMARCA

Safari back to the heights in 4x4 vehicle traveling Tastil, sacred city of Inca origin; San Antonio de los Cobres and the Grandes Salares in the Salta puna; to then descend to the Valleys of the Quebrada de Humahuaca. At the foot of the Hill of the Seven Colors, you will visit the town square of Purmamarca and its aboriginal artisan production center. Overnight at the selected hotel.

DAY 08 | PURMAMARCA - SALTA

Continuation of the trip through the Quebrada de Humahuaca, declared a World Heritage Site, where the landscape and the colors of the hills are combined with the equally colorful cultures that inhabit this area. It is a journey of social contact and a view of the ancestral. Departing from Purmamarca, you pass through the Posta de Hornillos until you reach the town of Tilcara. Optionally you can visit the Pucará (old indigenous fortress). Continue to Huacalera and the Tropic of Capricorn pass, from where you can see the colors of the hill called the Pollera de la Colla. In Uquiá there is a visit to the Church, which is characterized by the paintings of the Arcabuceros Angels (important vestige in the area of the Cuzqueña school). Arrival to Humahuaca and visit to the Cathedral and the Monument to the Independence (El Indio) of the sculptor Soto Avendaño. After lunch, we start our way back to Salta, along which we can observe, from the route, the La Paleta del Pintor hill that frames the town of Maimará.

DAY 09 | SALTA - EL CALAFATE

Regular transfer service to the Airport to board the Flight. Reception and regular transfer to the hotel.

DAY 10 | EL CALAFATE

Regular trip to the Perito Moreno Glacier walkways, "Nautical Safari" navigation included. We pick you up at the hotel, and after driving for 80km we will arrive at the Parque Nacional Los Glaciares, declared "World Heritage" by the UNESCO, since a vast area of continental ice field is preserved. The glaciers Moreno, Onelli, Agassi and Upsala are fed by this ice field. The Perito Moreno, being the most breathtaking glacier, flows over the Lago Argentino and adopts a wide spectrum of colors from white to turquoise. The terminus of the Perito Moreno Glacier is 5 Km wide, with an average height of 70 m above the lake level. We start our ramble at the Viewpoint, coming down through the walkways opposite to the glacier. The vastness of the landscape can be observed and the sound of the constant ruptures. An amazing spectacle that cannot be missed! We will continue the trip taking the "Nautical Safari", navigating through the Brazo Rico (southern arm) of the Lago Argentino. The trip lasts approximately one hour and gives tourists the possibility to "live" the glacier from a closest sight. Once we are just in front of the terminus, the ship will stop for some minutes to appreciate its beauty and vastness. Duration: full-day trip.

DAY 11 | EL CALAFATE

Excursion sailing the Argentino Lake full day "Gourmet Glacier Experience", on the María Turquesa cruise. The Patagonian Ice Field is, after Antarctica, the largest ice sheet on the planet. Its glaciers originate at only 1500 m.s. of altitude and descend until 200 m.s.n.m., which allows a unique access and visualization in the world. This tour goes through some places of this Patagonian landscape, navigating with the highest comfort and with a gourmet gastronomy designed especially for a memorable experience. After boarding, at La Soledad Private Port (60 km from Calafate), navigation departs from the Argentino Lake, heading for the glaciers: Seco Glacier, Heim Glacier, Spegazzini Glacier, the highest in the National Park.

Disembarkation at Puesto de Las Vacas, to make an interesting walk. The route continues navigating the Upsalla Glacier Channels and the Perito Moreno Glacier. Lunch on board. In the afternoon, return to the Hotel of El Calafate.

DAY 12 | EL CALAFATE - BUENOS AIRES

Regular transfer service to the Airport to board the Flight with destination to Buenos Aires. Reception and regular transfer to the hotel.

DAY 13 | BUENOS AIRES

Half-day tour of the City of Buenos Aires, where you can learn about our history and enjoy the architectural legacy left by our ancestors, such as: Plaza de Mayo, the typical neighborhood of La Boca, formerly the natural port of the city, where at the end of the 19th century a thriving and growing Italian community began to settle with a preponderance of origin Genovés, "Caminito", street declared Museum, with its colorful houses; get to San Telmo, the oldest sector of the city, and pass almost without realizing, to Puerto Madero, the youngest neighborhood where there are many international restaurants. Following the route you will reach Recoleta, for several decades the most prestigious neighborhood that is distinguished by the old buildings that are presented as a summary of the European architecture of the last century, and for their intense life given by neighbors and tourists who walk through its glamorous streets. Here you can visit the distinguished cemetery of great architectural value. The circuit ends in the neighborhood of Palermo, highly valued for its green spaces that form the lungs of Buenos Aires. At the end, return to the Hotel.

At night, the finishing touch will be a Dinner Tango Show, which is the best option for experiencing TANGO. The icing of the cake will be the orchestra led by renowned conductors and musicians, professional dancers and praiseworthy singers who live up to Buenos Aires reputation as capital city of Tango. Dinner includes appetizer, starters, main course, dessert and drinks.

DAY 14 | BUENOS AIRES

Day off. We recommend a half-day trip to Tigre's delta, where you can discover Buenos Aires' landscapes from the Río de la Plata. Starting from the hotel you will go to San Isidro, an important district of great historical and architectural value. Once in the delta you will pick a boat, which will help you discover the islands life. Throughout the trip you will also found nautical clubs, on the river bank of the Río Luján, astonishing houses and mansions located on the ravine and a magnificent sight of Del Plata estuary, San Isidro's Cathedral, the Puerto de Olivos, the "Monumental" (River Plate stadium) and the University City of Buenos Aires.

DAY 15 | BUENOS AIRES - COUNTRY OF ORIGIN

Transfer service to the Airport to board the international flight back home.
